

# ergotron<sup>®</sup>

*moving you forward*

## **Monitor Arms with Low-Profile Top Mount C-Clamp**

- Slim profile: Small base adds more usable workspace
- Versatile use: Works with freestanding sit-stand desks, shallow worksurfaces and more
- Clean look: Sleek design creates a neat appearance from every angle
- Sustainable design: RoHS-compliant materials ensure easy recyclability
- Flexible options: Available as monitor arms with clamps or clamps-only
- Fast installation: Assembles with one screw for an easy install

LOW PROFILE REQUIRES  
0.78" (20 mm) CLEARANCE BEHIND THE DESK

MONITOR ARMS WITH LOW-PROFILE C-CLAMPS  
MAKE THE MOST OF EVERY ANGLE

Ergotron's easy-to-install monitor arms and clamps enhance employee wellness and productivity. The sleek design works with shallow worksurfaces and desks visible from the back, creating more usable workspace and a clean look from all sides. It installs with one hidden screw for a neat appearance that's simple to incorporate in the office. Monitor arms with clamps and clamp-only options offer flexibility to meet your unique needs.
